ABOUT THE INSTITUTE

Our Vision

Today's educational environment is a paradigm shift from what it was just a few years ago. In this ever-changing world, "Gurukul Senior Secondary School", will help to nurture aspiration and igniting minds to develop the latent talents of the students.

"Gurukul Senior Secondary School ", aims to provide holistic learning experience and opportunities to the students to develop independent and creative thinking, to promote self-discipline and also to awaken the sense of patriotism and love for humanity.

Our Mission

The SPEAR believes that our students deserve the very best facilities to study and develop themselves. Gurukul students will have the opportunity to learn in multimedia classrooms. We aim to ensure that the learning experience will be as productive and enjoyable as possible.

Genesis

"GURUKUL, The House of Mentors", a junior college of Arts, Science and Commerce is a unit of SPEAR (Registered Under Societies Act 1860). The group undertook its maiden venture to start a junior college of Arts, Science and Commerce in Dibrugarh from the Academic Session 2011. The resolution was aimed at offering top quality education to shape to-day's youths into building bright careers to prepare for a prosperous tomorrow. Society for Promotion of Education Registration Act XXI of 1860 bearing Reg. Number DIB/255/B/76 of 2010-11. SPEAR is established and registered with the sole purpose of imparting quality education through its own institutions. "GURUKUL, The House of Mentors", will inspire the students to start working towards achieving their desired goals from the first day at Gurukul. In Assam Region herein after to be referred as SPEAR is a registered society registered under Societies

Aims & Objectives

The School aims at providing the best possible education to its students. It also aims at developing in the student's qualities of integrity, honesty, trust, tolerance and compassion to promote a spirit of enquiry; to foster a scientific temper within the bonds of humanism; to help the student to become a meaningful part of his environment and to see that courage and industry have their due regard.

The School also aim to foster in the students a thirst for knowledge, honesty, devotion to duty, patriotic fervor besides humanism. Imparting quality based and high standard education is our main motto.

Towards this end, the school endeavors to provide a large and dedicated teaching staff with a wide range of skills and interests, a varied and wide choice of activities – academic, aesthetic and athletic – an environment enriched with the excitement of discovery, challenge and competitiveness and a discipline based on the belief that responsibility comes before freedom.

From The Desk of **Chairman**

Gurukul Senior Secondary School's vision is to give the students the all-round capability including creativity, observation and knowledge empowerment leading to the generation of excellent, performing citizens with sterling character.

There is a commitment to an integrated curriculum approach through inquiry learning. The development of higher order thinking skills, risk taking, adaptability, cooperation, and communication techniques are fostered.

Principal's Message

"Education is the process of learning and knowing. It is the anchor that holds life together through the choppy waters"

"GURUKUL, The House of Mentors", aims at enabling our students to be inspired learners and responsible citizens through the collaboration of dedicated mentors and supportive environment.

"GURUKUL, The House of Mentors", will inspire the students to start working towards achieving their desired goals from the first day at Gurukul.

Education is about awakening –Awakening to the power and beauty that lies within all of us.

To my mind education as an idea, is not just about bricks ,mortar and concrete , but about building character , enriching minds and about varied experiences that last a lifetime.
